We are pleased to introduce our range of BioPesticides and BioFertilizers for your kind perusal. We are located near Hyderabad, India. We have many Registrations in India, Bt-K Registration in Greece and ongoing registrations for many products in many countries. Our group was founded in 1993.

We manufacture and have Indian Registration and Technical Dossier for following BioPesticides:

01 Ecosom™ TV 
(Trichoderma viride)
02 Racer™ BB 
(Beauveria bassiana)
03 Pacer™ MA 
(Metarhizium anisopliae)
04 Mealikil™ VL 
(Verticillium lecanii)
05 Lipel™ SP 
(Bacillus thuringiensis Kurstaki)
06 Margosom™ 0.03% EC 
(Azadirachtin 300 ppm)
07 Margosom™ 0.15% EC 
(Azadirachtin 1500 ppm)
08 Margosom™ 0.30% EC 
(Azadirachtin 3000 ppm)
09 Margosom™ 1.00% EC 
(Azadirachtin 10000 ppm)
10 Ecocom™ TH 
(Trichoderma harzianum)
11 VectoNeel™ 
(Bacillus thuringiensis Israelensis),
We have dossier and awaiting regn)
12 Derisom™ 2% EC 
(Karanjin)
We have dossier and awaiting regn)

The Toxicology Package is for Acute Tox studies on Dermal, Oral, Mucous Membrane Irritation & Eye irritation for rats / mice and rabbits.

We do not have chronic tox package studies and as such we have no data on Carcinogenicity, Teratogenicity, Reproductive studies, Residues in Body, Residues on Crops, Residues in Soil, Body Metabolism etc.

We have Eco Tox study on Fowls and Aquatic animals for some products.

We have recently installed Lyophilizer (Freeze Drier) and therefore we also offer Lyophilized (Freeze Dried) forms of many microbial products. These forms have long shelf life (of over 3 years under ambient table top storage and there will not be any cross contamination. Volume of product for application is very minimal.
We do not have Registration Certificate and No dossier, but manufacture and supply following BioPesticides:

01 Sheathguard™ PF  
(Pseudomonas fluorescens)
02 BioFit™ BS  
(Bacillus subtilis)
03 Somstar™ Ha  
(HaNPV)
04 Somstar™ SL  
(SLNPV)
04 Downycare™  
(Fusarium proliferatum)
05 Powderycare™  
(Ampelomyces quisqualis)
06 Anosom™  
(Annonin)
07 BorerGuard™  
(Microbial Consortium)
08 Mealikil Plus  
(Metabolites and Spores of Verticillium lecanii)
09 PaeCilo  
(Paecilomyces lilacinus)
10 BionemaGon  
(Bacillus firmus)
11 BioCuprim  
(Cheatomium cupreum)
12 Growgib  
(Fusarium moniliformis)
13 DieBackCare  
(Microbial Consortium)

We manufacture following BioFertilizers and Regn / Dossiers are NOT generally required:

01 Nitrofix™ - AZ  
(Nitrogen Fixing Bacteria - Azospirillum)
02 Nitrofix™ - AB  
(Nitrogen Fixing Bacteria - Azotobacter)
03 Nitrofix™ - RH  
(Nitrogen Fixing Bacteria - Rhizobium)
04 P Sol B™ - BM  
(Phosphorous Solubilizing Bacteria- B megaterium)
05 P Sol B™ - BP  
(Phosphorous Solubilizing Bacteria- B polymixa)
06 P Sol B™ - PS  
(Phosphorous Solubilizing Bacteria- P Striata)
07 K Sol B™  
(Potassium Mobilizing Bacteria)
08 Zn Sol B™  
(Zinc Mobilizing Bacteria)
09 Fe Sol B™  
(Ferrous Mobilizing Bacteria)
10 S Sol B™  
(Sulphur Mobilizing Bacteria)
11 Agri VAM™  
(VAM)
12 Silrich™ A  
(Composting Cultures)
13 Silrich™ B  
(Enhancement cultures for compost)
14 Kohinoor™  
(Soil Fertility Enhancer – containing humic and fulvic substances, Fermentation derivatives of Seaweed, Protein hydrolysates of vegetative origin, Nitrogen fixing bacteria, Phosphorous solubilizing bacteria, Potash mobilizing bacteria, Ferrous mobilizing bacteria, Zinc mobilizing bacteria and Sulphur mobilizing bacteria)
We manufacture following Bio Stimulants and they do not need registration:

01 SomZyme™  (Fermentation Derivatives of Seaweed)
02 BioHume™  (Bio Active Humic & Fulvic Substances from VermiCompost)
03 Aminocid™ (Protein Hydrolysates from Vegetative Origin)
04 Stimula™  (nATCA)
05 Stoma™    (Triacantanol)

We manufacture other BioProducts for Agriculture - like:

01 Margosom™ CPKNO   (Cold Pressed Neem Kernel Oil)
02 Margosom™ WNFP    (Whole Neem Fruit Powder)
03 Margosom™ NKCP    (Neem Kernel Cake Powder)
04 Derisom™ CPPKO    (Cold Pressed Pongamia Kernel Oil)
05 Derisom™ CP       (Pongamia Cake Powder)
06 AgriWet – N       (Agricultural Wetting Agent based on Neem)
07 AgriWet – K       (Agricultural Wetting Agent based on Karanj)
08 AgriWet – A       (Agricultural Wetting Agent based on Annona)
09 U-Min™ –N        (Urea coating agent of Neem)
10 U-Min™ –K        (Urea coating agent of Karanj)

We manufacture some unique soft Bio / Chemical products useful in agriculture like:

01 Oxyrich      (Oxygen liberating product for root respiration)
02 BioSulf      (Liquid Sulfur)
03 BioCopp      (Liquid Copper)
04 BAPSA        (All purpose spray adjuvant)
05 AgriBoom     (Nitrobenzene – flower booster)
06 SnakeGuard   (Snake repellent)
07 Biomyacin    (Immunomodulator for prevention of Bacterial diseases)
08 BlastOff – Agri (Biocide for treatment of on farm debris)

Probiotics & Other Microbials

We also manufacture Animal Probiotics and Microbes for Environment / Effluent management / Bio Amelioration.

Non GM Microbes

We use Non GM Microbes from Public Domain certified by Govt India Agencies for non pathogenecity for non target organisms and higher animals.
IPR

As we manufacture Public Domain organism of *sui generis*, we do not have Patent / Intellectual Property rights on organisms *per se*.

R & D Centre

Our R & D Centre is recognised by Govt of India, Dept of Scientific & Industrial Research.

Exports

We are exporting our BioPesticides, BioFertilizers and Bio Agri Inputs to many countries.

Facility

We have large facility for Submerged and Solid State Fermentation and matching down stream processing for manufacture of Microbials. We have botanical extraction facility for Botanical BioPesticides.

Prices & Service

Our pricing is reasonable and we offer good service.

Website

p.s >> Images of Products and Certificates are in next page
MARGOSOM  
Azadirachtin (Neem)

DERISOM  
Karajnin

ANOSOM  
Annonin

NITROFIX  
Nitrogen Fixing Bacteria

P SOL B  
Phosphorous Solubilizing Bacteria

K SOL B  
Potash Solubilizing Bacteria
Zn SOL B  
Zinc Solubilizing Bacteria

BIOHUME  
VermiCompost based  
Humic and Fulvic Substances

SOMZYME  
Fermentation Derivates of  
Seaweed

AMINOCID  
Protein Hydrolysates of  
Vegetative Origin

SOMZYME GRANULES  
AMINOCID GRANULES
